

NCAC Fall Classic – October 31 – November 2, 2003

Meet Information for Participating Teams

!!Change in Session Times!!

Dartmouth College thought we were doing this meet a different weekend and gave us the wrong time for when we could get into the pool on Saturday. So now we have to back up the Saturday sessions by an hour. To give coaches and workers a bit of a break, we will back up the Sunday start times by half an hour.

New Session Times:	Warm-ups	Meet
Friday Evening (no change)	6:00-6:40 PM	6:40 PM
Saturday ‘Morning’	11:05 AM-12 PM	12:00 PM
Saturday ‘Afternoon’	4:30 – 5:30 PM	5:30 PM
Sunday Morning	8:00 – 9:00 AM	9:00 AM
Sunday Afternoon	1:30 – 2:30 PM	2:30 PM

Fortunately the second session on Saturday is the shortest session but it will still end after 9:00 PM.

The other issue with Saturday morning is that no one (coaches or swimmers) are allowed on the pool deck or in the bleachers before 11:00 AM. So do not come early hoping to get a good spot. You’ll just be hanging out in the corridors, checking out the new location for concessions.

Distance Events Friday Night

Friday night’s events are the 1000 and 1650. Teams are required to provide 2 timers and a counter for each of their swimmers in a heat. We’ll start with 5 heats of the 1000 and then 3 heats of the 1650. Both events will be swum girls and boys combined and fastest to slowest. The front pool will be available for warm-ups 6:00 – 6:40. pm. The back pool for warm-ups/warm-downs throughout the session. Scratches are due by 6:20 pm. We will send out an updated list of entries for these two events early the week of the meet so swimmers and coaches can decide how early to arrive.

Timing Assignments:

We request help from all the teams in providing timer coverage for the Saturday and Sunday sessions. Teams are asked to provide the indicated number of timers for the lane for the length of the session. Timers should report to the back pool for a timers meeting, 25 minutes before the start of each session.
